2. The Participant shall from time to time prescribe to the Client the minimum specification for hardware and software that will be required by the client to access SPEED-e. The Participant represents that the Participant has fully complied with all the technical and operational requirements prescribed for the Participant by NSDL.
3. Further, the Client shall submit to the Participant an undertaking in the enclosed format from the holder of the pre-notified account.
6. The Client hereby ratifies and upholds all such instructions issued through SPEED-e using such Remembered Information of Possessed Object, as the case may be. In the event the Client changes the holder of the power of attorney, the Client shall deposit the new power of attorney with the Participant and ensure that authority to access SPEED-e is transferred from the old power of attorney holder to the new power of attorney holder.
